Basis of Claim: License
Priority Date: 12/13/1988 (same as license)
Evidence of Priority: Application for permit; proof of completion of works

NOTES:

License 2-7262 and 2-7432 both share the same POD, but have different POU

License 2-7358 is a totally independent POD and POU, with no overlaps to 2-7432.

Season of Use on claim and license is 3/15 - 11/15, which is the same as the current IDWR irr. std.

Sold the property just a couple weeks ago. Change of ownership paperwork given to new owners.

House was built in approx. 2000 (Stephanie estimated)

Both son (Steven) and husband (Wilbur) passed away in the past 2 years. This piece of property originally belonged to her son.

Irrigation for 5 acres of grass that was mowed.

Recommendation:

C18

Explanatory: PIN RP03N04W176920A

Season of Use on License is the same as the current IDWR standard.

License is for 0.24 cfs for 12 acres, or 0.24 cfs and 54.0 AF MAXIMUM DIVERSION RATE AND VOLUME.

LIMITING FACTOR: 0.02 CFS/acre and 4.5 AF/acre per License

R32 and 031
