Re: Snake River Basin Adjudication (SRBA)
Recommended Water Right No. 63-15603

Dear Diana,

A probable error was discovered recently on the partial decree for 63-15603. The Court record seems to indicate no exception was filed or made to the Amended Director's Report filed 11/3/07. The subsequent records did follow likewise. One of the Points of Diversion has T03N R01E S32 NWNW rather than T03N R01E S32 NENW shown in the Amended Director's Report. Both Points in the Amended Director's Report were T03N R001E S32 NENW.

I have enclosed a recommendation the Court may use to consider issuing an amended partial decree, after notice and hearing of course.

IDWR stands ready to respond to any questions the Court may have. I extend my thanks for considering this request.

Sincerely,

Donald V. Shaff, MPA
Adjudication Bureau Chief

OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

A source of this water right is waste water. the wasting of water may be discontinued at any time.

This right remains subject to the right of the original appropriator, in good faith and in compliance with state laws governing changes in use and/or expansion of water rights, to cease wasting water, to change the place or manner of wasting it, or to recapture it.
