	)	NOTICE OF CLAIM

An initial hearing in subcase 01-83X was held on April 30, 2008, in Idaho Falls, Idaho. Counsel for the United States of America, Department of Interior, Bureau of Land Management appeared to discuss its *Objection* that the claimant's water right should not include federal public land. No one appeared for claimant the Island Irrigation Company nor did its representative contact the Court. Because of the claimant's failure to appear, the United States requested that an order to show cause be issued.

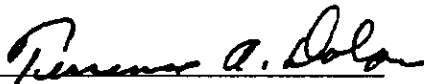

The Island Irrigation Company filed its *Motion to File Amended Notice of Claim* on March 14, 2007, in which it seeks "to add stockwater to our claim in the amount of 50 cfs."

THEREFORE, IT IS ORDERED that:

1. The Island Irrigation Company shall appear before the Special Master at the Snake River Basin Adjudication Court, 253 3rd Avenue North, Twin Falls, Idaho, on **Thursday, July 10, 2008, 1:30 p.m.** and show cause why the United States' *Objection* should not be granted. If the Island Irrigation Company fails to appear at the hearing, the Special Master will grant the United States' *Objection* which may result in the claim being decreed but without federal public land. Parties may appear by telephone conference by calling 1-225-383-1099 and entering participant code 654400; and

2. A hearing on the Island Irrigation Company's *Motion to File Amended Notice of Claim* shall be heard immediately after the hearing on the above *Order to Show Cause*.
