Re: Filing a response to objected water rights 67-73B and 67-74B

Dear Ms. Cole,

Per our telephone conversation, I am sending you a copy of the response form we spoke about over the phone. The form asks for the water right number in the upper right hand corner. The water rights that have been objected to that effect your water rights are 67-73B and 67-74B. Those are the numbers you want to file the response to.

When filling out the form, under section D, it asks you to identify the elements of the objection that you are responding to. I am enclosing copies of the objections filed to 67-73B and 67-73D. I think what you want to identify there is the quantity as any adjustments made to the quantity will affect your right.

If you have further questions on how to fill out the form, I would encourage you to contact the Snake River Basin Adjudication (SRBA) court at 208-736-3011 or <http://www.srba.state.id.us/INDEX.HTML>

As always, feel free to contact me if you have any questions.

Respectfully submitted,
