In Re: SRBA	Subcase No. 37-14278
Case No. 39576	AFFIDAVIT OF SALLY SHOEMAKER IN RESPONSE TO MOTION TO DESIGNATE A BASIN-WIDE ISSUE

STATE OF California)
County of Riverside)
:SS

SALLY SHOEMAKER, first being duly sworn, deposes and says as follows:

1. I make this affidavit on the basis of my own personal knowledge.
2. My husband and I own EE-DA-HO Ranch located in Blaine County, Idaho. The ranch is located west of Bellevue, Idaho, in the Muldoon Canyon. My husband and I acquired ownership of this ranch in the fall of 1989. The ranch consists of 1600 acres, 200 of which are irrigated.
3. A material feature of the ranch which led to our purchase is the two (2) ponds near the main residence on the ranch. These ponds are associated with Water Right No. 37-14278.
4. The two (2) ponds in question were created by a prior owner damming Seamons Creek, in the case of the larger pond, and by diverting Seamons Creek into the smaller pond.

5. Our family and guests receive great enjoyment from the use of the ponds. Among the historical recreational uses the ponds have regularly provided are fly-fishing, boating and swimming.

6. Deer, elk, ducks and geese regularly are found on or near the ponds. The ponds are excellent habitat for trout.

7. Observing the wildlife at the ponds brings great delight to our family and guests and contributes significantly to the enjoyment and value of the property.

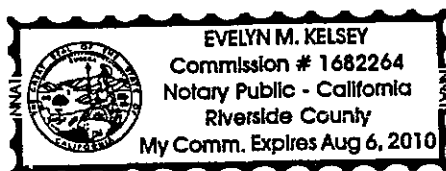

8. The ponds and associated water right add significant value to the quality of life on the ranch enjoyed by my family and our guests. The ponds and water right are a chief component of the value of our property.

FURTHER YOUR AFFIANT SAYETH NAUGHT.

DATED this 22 day of April, 2008.
