AMENDED DIRECTOR'S REPORT -- 78-7243B

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources ("Department").

DISCUSSION

During the status conference held on May 27, 2008, Special Master Booth requested an Amended Director's Report ("ADR") for subcase no. 78-7243B clarifying the source of the right. The Department hereby files this ADR to clarify the source and also to make the recommendation consistent with the license upon which it is based. Specifically, to track with the license, a quantity remark has been added that references the combined use limit that exists between this and two other rights (see attached print-out).

Respectfully submitted this ____ day of May 29, 2008.

Donald V. Shaff
Adjudication Bureau Chief
