CONVERSATION WITH: Lewis Rounds
Dam Safety, F.F.

SUBJECT: Stewart Bro Dam
24-4010 - storage pond.

Lewis pointed out for the files the
inspection record for the storage
pond.

Lewis didn't follow thru with a WR
for the pond so, when sending Nevada
Sand & Gravel a Notice of claim form
to file on the pond storage. According
to Lewis they said it was built in
1965, (no evidence submitted) and
enlarged in 1984.

The Nate - N1 Ranch and I think the
Allenman's now get their water
from the pond.

Copies of Dam inspection also added to
24-4067 because their POD has moved to pond.
