Re: Subcase No. 63-05112

To all interested parties:

We represent the Herman F. and Velma R. Case Trust, record owners of the above-referenced water right. We are aware an initial hearing has been scheduled for June 26, 2008 with Special master Booth to meet and confer regarding the pending objection(s) filed by Wilder Irrigation District.

The purpose of this correspondence is to notify you that the Case Trust no longer owns the real property and appurtenant water right at issue. The Cases sold the property (to which this water right is appurtenant) in 2002 to James and Carol Kranz. It is our understanding the Kranzes have since sold the property to another party. Apparently none of the subsequent owners have ever filed change of ownership forms with the Department.

In any event, please be advised that the Cases do not intend to appear at the initial hearing, and the real party or parties in interest likely are unaware of this process.

Please let me know if you have any questions about our client's position.

Sincerely,

MORROW DINIUS & FISCHER, PLLC
