Subject: AMENDED CLAIM TO A WATER RIGHT

RESPONSE DATE: 14 JULY 2006

Dear Mr. Brower:

I received your notice of claims to a water right applications; I am sending you copies of each of those claims and the receipt for the filing fees.

As per our conversation these are all in streams, therefore a beginning and ending point is needed. Enclosed is the Amended Claim to a Water Right for each claim for you to sign and return. The original information that needs to be changed has been stricken through and the correct information has been underlined.

In order to process your claim; this information needs to be updated for each of the springs. I have enclosed a map to show how each beginning and ending point was reached. The points correlate with your map. The place of use has also been updated. Please review to make sure the information is correct. There is no fee for this change. These forms need to be signed and notarized then returned to this office.

If you have any questions please feel free to contact me at (208) 547-3993 in Soda Springs.

Respectfully,

Sonja Christiansen
