RE: Notice of Security Interests for Water Rights 22-2198, and 22-2297

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence adding security interest to the above referenced water rights. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Nate Arave
