RE: Field exams for Snake River Basin Adjudication (SRBA) claim 75-14

Dear Claimants:

As you know, the Idaho Department of Water Resources has been reviewing claims to water rights in the Jesse Creek drainage. In particular, I have been reviewing objections to recommendations made on claims for water from Jesse Creek.

I will be in Salmon the week of July 14 and want to schedule a field exam to see your point of diversion, place of use and discuss the objections on the recommendations for your SRBA claim. You do not all have to be present; you may simply pick a representative if you wish.

Please contact me at (208) 287-4907 at your earliest convenience to schedule the field exam for your claim.

Respectfully submitted,

A handwritten signature in black ink that reads "Monica P. Van Bussum". The signature is fluid and cursive, with the first name "Monica" being more prominent.
