RE: Field exam for Snake River Basin Adjudication (SRBA) claims 75-19D and 75-113A

Dear Claimants:

As you know, the Idaho Department of Water Resources has been reviewing claims to water rights in the Jesse Creek drainage. In particular, I have been reviewing objections to recommendations made on claims for water from Jesse Creek.

I will be in Salmon the week of July 14 and want to schedule a field exam to see your point(s) of diversion, place of use and discuss the objections on the recommendations for your SRBA claims.

Please contact me at (208) 287-4907 at your earliest convenience to schedule the field exam for your claims.

Respectfully submitted,
