RE: Field exam for Snake River Basin Adjudication (SRBA) claims 75-7, 75-17D, 75-19E,
75-26A, 75-10075, 75-10076

Dear Mr. McKinney:

You and I spoke in May regarding my intention to conduct field exams on water right claims in the Jesse Creek drainage. I will be in Salmon the week of July 14 and want to schedule a field exam to see the City of Salmon's point(s) of diversion, place of use and discuss the objections on the recommendations for your SRBA claims. You and I also discussed sitting down with some City personnel regarding the water rights and I think I would find that very helpful if it can be arranged.

Please contact me at (208) 287-4907 at your earliest convenience to schedule the field exam for these claims.

Respectfully submitted,

Monica P. Van Bussum
Sr. Water Resource Agent
