Re: Snake River Basin Adjudication (SRBA)

Subject: FILING A NEW WATER RIGHT CLAIM

Dear Mr. Richards;

I'm returning the documents you sent along with a copy of your warranty deed I received from Bingham County. You can file a claim for a water right at our Idaho Falls office located at 900 North Skyline Drive. The phone number is 525-7161.

When you go to Idaho Falls to apply for the right you will need documentation of when the water was first put to beneficial use, when the well was established. Also you will need proof of ownership, which would be a copy of your warranty deed and map of the property.

For your reference, I have enclosed the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

Respectfully;

Pauline Bassett
