RE: Consideration of garbage trucks.

Mr. Spicer of the Intermountain Equipment Company of Pocatello came into the meeting to give prices and leave literature on two kinds of garbage trucks for the council to consider. He stated he had come early so the Council could think about it before the new budget was set up.

He also left information on the front end loader which had been demonstrated in the city.

RE: Insurance.

Ted Powell came into the meeting to explain the terms of the blanket liability policy he had submitted to the city.

After Mr. Powell left there was a discussion on insurance. The city has a 30 day binder on both public liability and fleet truck insurance. It was decided to take a six month renewal on the two policies, and to ask for the same rate, if possible. City Attorney Mary Smith was requested to investigate the fire insurance.

RE: Time clock at airport.

Mr. Wilding stated the Utah Power and Light Co. would like the keys to the time clock at the airport so they can set the clock right. The Mayor said he would check on it.

RE: Police guns.

Mr. Wilding reported the four police guns had been ordered from a police supply company, and would cost \$53.00 each instead of \$71.00 each as previously reported. The belts and holsters are on order but haven't come yet.

RE: Water pipe.

Mr. Wilding reported on the water pipe which was discussed at the last meeting. He said Mr. Armstrong had made up a list of pipe and fittings which would be needed on the State participating project on the highway and had taken it to the State Highway Dept. at Rigby and discussed it with them. The Mayor stated that he and Mr. Armstrong had driven around and checked size of existing pipe and specifications for new pipe. He stated Mr. Hughes of the State Highway Department had instructed him to go ahead with the bids on the pipe, that it wouldn't obligate the city, and that the highway department is ready to go and would like the bids.

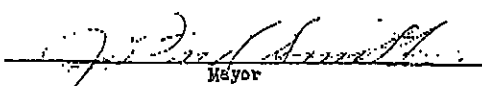

RE: City licenses.

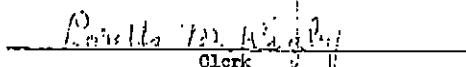

City licenses for Yellowstone Glass Co. and for Sorenson Studio were discussed. A motion was made by Mr. Wilding, seconded by Mr. Morrell and passed that Yellowstone Glass Co. be charged \$3.00 per quarter. A motion was made by Erikson, seconded by Genta and passed that Sorenson Studio be charged \$4.00 per quarter.

RE: Claims.

Claims in the amount of \$707.55 were presented by Mr. Wilding who moved the same be granted and paid. The motion was seconded by Mr. Erikson and passed unanimously.

Meeting adjourned at 10:20 p.m.

MINUTES OF REGULAR MEETING OF THE
CITY COUNCIL OF THE CITY OF REXBURG, IDAHO

February 15, 1956

Minutes of the regular City Council meeting held this 15th day of February, 1956, at 7:30 p.m., at the City Hall. Mayor J. Fred Smith was present and presided. All councilmen and the city clerk were present. City Attorney Mary Smith was absent.

RE: Minutes.

Minutes of the regular meeting held February 1, 1956, were read, approved, and duly passed.

RE: Wilding complimented on scout government day.

The Mayor complimented Councilman D.D. Wilding on the efficient manner in which he had conducted Boy Scout city government day which was held February 11. He requested Mr. Wilding to report to the Council the proceedings of the day, which he did.

(Minutes of Feb. 15, Continued)

RE: Police belts and holsters.

Mr. Wilding reported the belts and holsters for the police department have arrived and have been delivered.

RE: Aid request.

W. B. Murphy from the golf association came in to the meeting to request city aid in putting underground water lines for a sprinkling system at the golf course.

Civil Air Patrol request.

Mr. Wilding reported the Civil Air Patrol are still trying to find a place to store their equipment. They had made up a list of materials, and for approximately \$3599.00, they could fix up the burnt building at the airport. If the city would furnish the materials they would do the work which would amount to about \$2500.00. Gordon Holley is commander of the wing here.

RE: Insurance.

Mr. Archibald explained to the council the insurance policies which the city carried couldn't be renewed for six months. Both must be renewed for one year, but each could be cancelled at six months and a refund made to the city. After a brief discussion, the council decided to renew the policies and investigate the matter further by the end of the six month period.

Henry Dietrich came in to the meeting on fire insurance and also to learn the decision of the council on the continuous fire insurance plan policies which he had left with the city some time ago. After discussing it briefly, Wilding moved the plan presented by Mr. Dietrich be accepted. The motion was seconded by Genta and passed unanimously.

RE: Report of recreation meeting.

M. D. Morrell reported the meeting on recreation which he had attended. He stated Dr. Green from the U. of I. was making a survey. Dr. Butler talked on mental health and explained the program the state has for cities in Idaho. This program is just beginning and no doubt we'll learn more about both projects.

RE: Request for parking privileges denied.

Mr. Mickelsen reported a traveling salesman had requested parking privileges when doing business in Rexburg. After a brief discussion the council decided it would be better not to start allowing such privileges.

RE: Powell salary.

The clerk was instructed to pay G. A. Powell for two weeks salary or until February 15. He was laid off without being notified; and the council felt that was only fair.

RE: Bids on water pipes.

The Mayor reported bids on water pipes were to be in not later than February 24, 1956. He requested a recessed meeting be held on that date at 6 p.m. to open the bids.

RE: Claims.

Claims in the amount of \$2,765.43 were presented by Archibald who moved the same be granted and paid. The motion was seconded by Wilding and passed unanimously.

At 9 p.m. the meeting was recessed until February 24, 1956.

MINUTES OF RECESSED MEETING OF THE
CITY COUNCIL OF THE CITY OF REXBURG, IDAHO

February 24, 1956

Minutes of the recessed meeting of the City Council of the City of Rexburg held this 24th day of February, 1956, at 6 p.m. at the City Hall. Mayor J. Fred Smith was present and presided. Others present were Councilmen Robert Erikson, Max Mickelsen, D. D. Wilding, M. D. Morrell, city clerk, and waterworks supt. D. L. Armstrong. Councilmen Archibald and Genta were absent.

The purpose of the meeting was to open the bids on the water pipe according to the notice in the paper. Bids were received from three sources:

United States Pipe and Foundry Co.
Pacific States Cast Iron Pipe Co.

Received Time Dec. 1. 3:57PM

The bids were discussed briefly. The Mayor felt they should be considered carefully.
