Precious time was lost in fighting this fire due to inadequate fire-fighting equipment on the property. Indianola Helibase sent a rappel crew to assist the North Fork Fire Dept. in containing the fire and preventing it from spreading to the adjoining Salmon-Challis National Forest. Lemhi County has a fire history and it is only prudent that property owners prepare for potential fires with irrigation/ water pumping equipment. The Salmon River and stock water "pond" area provide water for fire prevention as well as irrigation.
