RE: NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FOR WATER RIGHT
NUMBER(S) 35-4077, 35-7374 & 35-12139.

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. As per our phone conversation on July 31, 2008, please find enclosed a copy of a deed plotter drawing I have created and a map showing the property owned according to your deed and the water right place of use for the above mentioned water rights. According to the deed provided the place of use would be split and would require an additional fee. The fee for a Change of Ownership with a split is \$100.00 per right. You have already submitted \$75.00, so there would be an addition \$75.00 per right to do the split, a total of \$225.00. Please look over the maps and the proof reports enclosed and let me know if you think you do own the entire place of use. If you have a deed for the remaining portion, please submit that deed. If you do believe this is a split of the water rights please submit the remaining \$225.00.

If you have any questions about this matter feel free to contact Jonie Barg at (208) 525-7161.

Respectfully submitted,

Jonie Barg
