DEPARTMENT OF
WATER RESOURCES

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA) Subcase No. 37-20461
) (SPLIT INTO 37-22271 & 37-22272)
)
Case No. 39576) STANDARD FORM 5
)
) AMENDED CLAIM
) FOR DOMESTIC & STOCKWATER RIGHTS

This form is used to report the stipulated elements of one domestic and/or stockwater right acquired under state law and/or one federal reserved water right and to amend the Notice of Claim. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

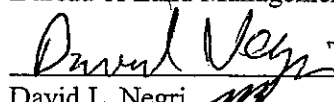

Pursuant to the terms of the *Stipulation and Joint Motion for Order Approving Stipulation* filed on August 29, 2002, such stipulation being incorporated into this *Standard Form 5*, the parties and IDWR agree and stipulate that the elements of the resulting water rights should be described per the attached. To resolve the objection, the whole of water right 37-20461 was split into two water rights and renumbered as 37-22271 and 37-22272. The parties and IDWR agree and stipulate that water right 37-20461 should be disallowed. Water rights 37-22271 and 37-22272 now supersede right 37-20461. The parties and IDWR have further indicated their concurrence to these renumbered water rights by signing below and initialing the attached page.

OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

The quantity of water decreed for this water right is not a determination of historical beneficial use.

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.
