) SECOND REPORT OF SETTLEMENT
) MODERATOR

A continued settlement conference was held in the above-captioned subcases on August 1, 2008, in Idaho Falls.¹ Attached hereto is a sign-in sheet which lists the participants in the conference.

The parties to the subcases and/or their respective attorneys participated in good faith. Although an agreement was not reached, significant progress was made in that the parties have a better understanding of the relative positions and interests. At the conclusion of the conference, it was agreed that Jerry Rigby, attorney for the claimants, would draft a remark proposed to be included on the partial decrees for these water rights, and circulate the same for review by the participants. Also, Deputy Attorney General Garrick Baxter is going to consult with IDWR regarding the description of the purpose of use at issue. The parties do not, at this time, desire to have another moderated settlement conference, but rather they propose to continue to work towards settlement via written correspondence.

Dated: August 8, 2008.

THEODORE R. BOOTH
Special Master
Snake River Basin Adjudication

¹ The previous settlement conference held on June 11, 2008, did not include the above-captioned Basin 22 subcases.
