*RE: SRBA Subcase Nos. 22-7215A, 22-13664 & 22-13665
(Blackfoot Farms/County of Teton Fair Board)*

Dear T.J.:

I am enclosing the SF5s that you signed on behalf of Blackfoot Farms, LLC on June 18, 2008. It appears that the recommendations contained within the SF5s were not initialed when the documents were signed. Please initial the revised recommendations and return the original SF5 to me. I will forward the SF5s to the Teton County Fair Board so that they can initial the recommendations as well.

If you should have any questions or comments, please don't hesitate to contact me at 287-4815.

Sincerely,

A handwritten signature in cursive script that reads "Ray Williams".

	)	
Case No. 39576	)	
	)	STANDARD FORM 5
	)	
	)	STIPULATED ELEMENTS OF A
	)	WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached which reflects that this water right has been split into water right numbers 22-13664 and 22-13665 and should be disallowed. The parties and IDWR have further indicated their concurrence by initialing the attached page.

EXPLANATORY MATERIAL: BASIS OF CLAIM - License

After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.

Right 22-7602 is also diverted through the point(s) of diversion described above.

The right holder shall accomplish the change authorized by transfer 73308 by December 20, 2008.

If the surface water right(s) appurtenant to the place of use is abandoned, forfeited, sold, transferred, leased or used on any other place of use, this right to divert ground water shall not be used without an approved transfer pursuant to Section 42-222, Idaho Code, or approval of the Department if a transfer is not required.

Failure of the right holder to comply with the conditions of transfer 73308 is cause for the Director to rescind approval of the transfer.
