NOTES:

8/12/2008 tried calling (509) 856-2429 and it was disconnected. No address listed under the govt lot maps on ArcMap, or Quest (phone listing of (208)476-7206 in Orfino). Called Orfino phone number and got recording that said to "Please enter your pass code followed by the pound key." Didn't reach a live person, and was unable to leave a voice message.
