RE: Evidence of Priority for Claim to a Water Right 22-13830, enlargement of 229.6 acres

Dear Mr. Ricks,

I am currently reviewing your water right claim. In the area of evidence of priority, I am only finding aerial maps showing proof of irrigation for those additional 229.6 acres going back to 1987. For this reason, in order to maintain your claimed date of priority of 6/6/1984, please send me (1) additional evidence of proof (affidavit, records of construction of diversion works, etc). 2) Also send a copy of your agreement with the US Forest Service. I have enclosed a copy of the Evidence of Priority flyer to help explain things better.

If you have any questions, please give me a call at (208) 287-4920.

Sincerely,

Sandy Hemenway
