RE: Requesting additional information for SRBA claim 67-79L

Dear Mike and Robin:

Thank you for taking time to meet me at the initial hearings for Basin 67 earlier this month. I looked over the evidence you submitted at the initial hearings and spoke with Tim Hohs. I have been able to establish that irrigation occurred on the lower pasture from the Fruitvale-Glendale ditch until 1978. I am unsure what happened with irrigation in the lower pasture after 1978. I need information in the following two areas:

1. How was the lower pasture irrigated between 1978 and 2004?
2. I understand you acquired the property in 2004. How have you been irrigating the lower pasture since then?

I would appreciate any further information you can provide. If you have questions, please feel free to call me at (208) 287-4907.

Sincerely,

Monica
