Re: Snake River Basin Adjudication (SRBA)
Claim 24-10004

Subject: CHANGE IN OWNERSHIP & EVIDENCE OF PRIORITY

Response Date: 1 April 2005

Dear Claimant(s),

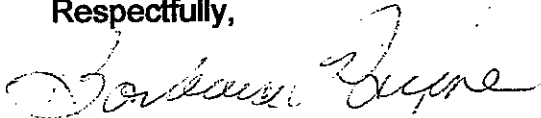

We have been advised that you may be the current owner of the property and water right referenced above. Before we can modify our records to reflect your ownership of the property, we need Form 42-248/42-1409(6) completed, signed and returned. I have enclosed the form for your convenience.

In the adjudication review process there is no filing fee. However, we will need a copy of the plat, survey map or aerial photo with the appropriate area marked and a copy of the warranty deed.

For your reference, I have enclosed the brochure entitled "Evidence of Priority". The brochure describes the types of evidence required and suggests which documents will fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some examples of Documents Which May Be Evidence of the Priority Date". The evidence of priority documentation needs to provide a clear chain of ownership from the claimed priority date of May 25, 1900 to present. Please be advised that we already have in the claim file documents generated by our Dept and duplicate copies of these documents are unnecessary and do not provide any needed evidence.

Please submit the documentation by the above response date referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed brochure, please feel free to contact me at 547-3993.

Respectfully,

A handwritten signature in cursive script, appearing to read 'Barbara Payne', written in dark ink.

Barbara Payne
