Re: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #67-4023 and Decree #67-10262

Dear Ms. Phipps:

I'm returning the Notice of Change in Water Right Ownership you submitted in July, 2008. Before we can change your last name to Spreadbury, we need a copy of a legal document showing your name change.

Additionally, there is a \$25 fee due before we can enter you as current owner on Decree #67-10262.

In addition, I am sure you are aware, but if not, I did want to bring to your attention that 67-4023 has been recommended as disallowed to the SRBA court. IDWR will still split the water right claim and put the proportionate share of the claim in your name. This will not change the recommendation of disallowed to the SRBA court, but will ensure you receive any correspondence applicable to claim 67-4023.

If you were not aware that 67-4023 was recommended to the SRBA court as disallowed, please feel free to contact me and we can talk about what this means and options you have.

Sincerely,

Craig L. Saxton
