Re: Snake River Basin Adjudication (SRBA)
Water Right Recommendation #67-4098C

Dear Ms. Zacharin,

I have reviewed the inquiry you made last month about 67-7620 as a part of your land with the water right referenced above. You were responding to an IDWR letter dated July 16, 2008. The Department will cease processing a change in ownership relative to part of 67-7620, because you have communicated you have no right, title, or interest in any part of 67-7620, and you believe 67-4098C is the only water right from the Little Weiser River for your property.

Thank you for responding quickly to our letter. I appreciated the opportunity to talk to you about your water rights. The Court has held initial hearings on the contested water rights in the Weiser basin. I would anticipate you should receive a decree of water right 67-4098C in the next couple of months.

Please feel free to contact me again should you have further questions.

Sincerely,

Donald V. Shaft, MPA
Adjudication Bureau Chief
