STATE OF IDAHO	)

County of Madison	)

Bevan Jeppesen, having been duly sworn, states under oath as follows:

1. I am a resident of Madison County, Idaho and reside at 1282 S. 2nd E.,
Rexburg, ID 83440.
2. I am a farmer by profession and am now the sole owner of the approximately
226 acres of lands described in amended water right claim No. 22-13454 (hereinafter "Lands"),
together with the approximately 152 acres of lands described in water right number 22-7091, for
a combined acreage of approximately 378.

3. My father, K. Merle Jeppesen and I purchased the Lands as well as the said 152 acres from Bruce Webster (hereinafter "Websters") in July of 1987. I then turned around and purchased the interest held by my father and thereafter have owned the Lands since that date and have personally worked and watered the Lands since purchased from the Websters in 1987.

4. At the time of the purchase, Websters were watering the entire 378 acres described in the Amended Claim number 22-13454 along with water right 22-7091 and had been so since the irrigation season of 1986.

5. Furthermore, in addition to the water rights described above, a central pressurized system which waters the entire 378 acres was installed and watered the Lands in the summer of 1987, which also included waters from ground water right number 22-13670.

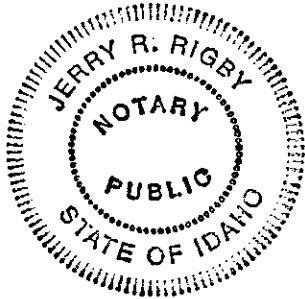

6. Since I have personally watered the Lands since the said purchase, I am keenly and personally aware that the claimed statutory enlargement of water right 22-7091 was timely accomplished prior to the November 19, 1987 statutory deadline.

7. Therefore, all present uses described in the Amended Claim were instituted prior to the statutory deadline of November 19, 1987 for enlargement claims.

Dated this 9th day of September, ~~8~~, 2008.
