

Enclosed is a large map showing the proposed Digital Boundary where BLM land has been removed from the recommended Digital Boundary.

In addition, there are page sized blow-up maps showing the changes we propose to make to the recommended Digital Boundary.

On the enclosed CD is the proposed Digital Boundary shapefile. The shapefile is an ArcGIS product that can only be seen with compatible software.

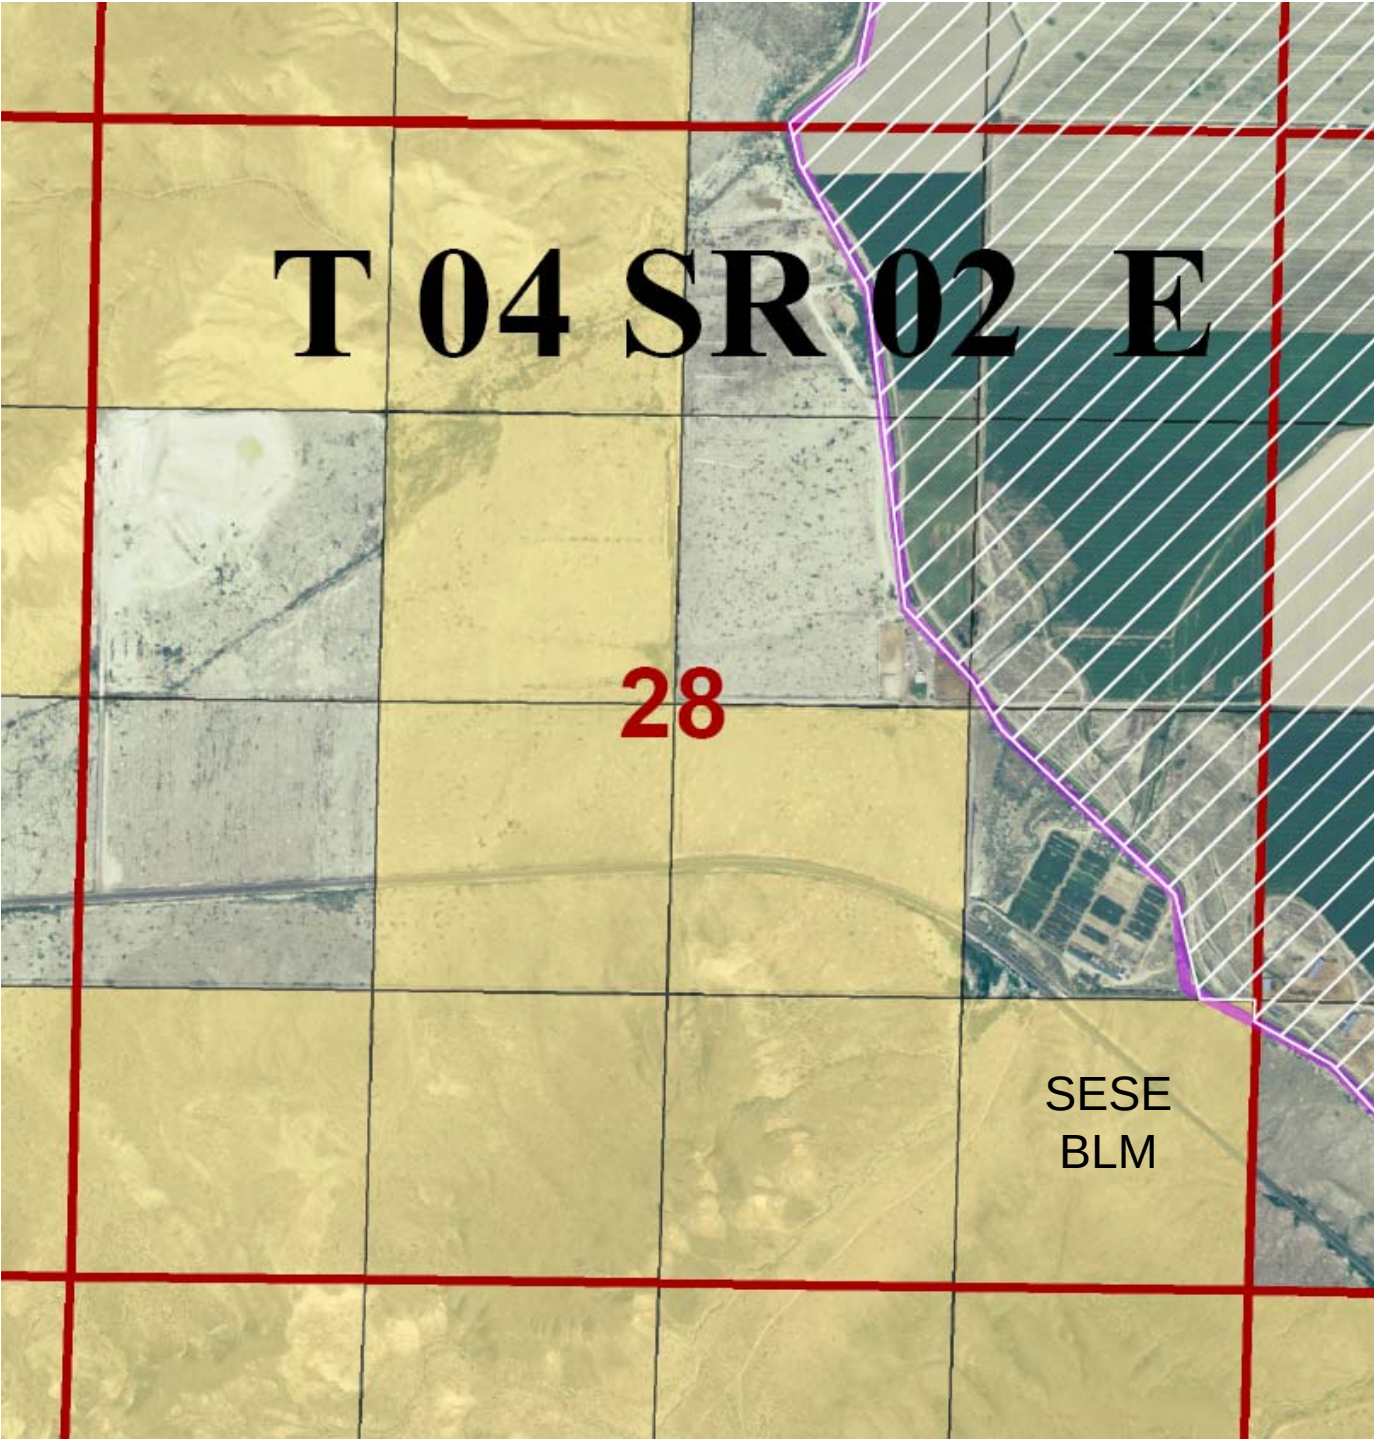

T 04 SR 02 E

White simple hatch is the proposed Digital Boundary that excludes BLM.

Purple line is the recommended Digital Boundary that BLM objected to.
