 - ☐ This water right was not recommended, but should be recommended with the elements described above.

E. **REASONS SUPPORTING OBJECTION (S):** The place of use states that the right is limited to 209 acres within the boundary of Hart Davis Ditch Company. The place of use for this right and 63-0134 were for a total of 498 acres prior to the Special Master's decision on the ownership of 63-0134. The Special Master determined that 63-0134 should be in the name of the State of Idaho and the corresponding amount 3.30 cfs and 165 acres should be included for said right(s) for the State of Idaho and then 63-0134 subtracted from the total right and acres previously determined by IDWR for Hart Davis. Accordingly, the place of use for this right should reflect a minimum of 333 acres.
