RE: Subcase No. 25-10023

Dear Judge Melanson:

The Director's Report for Domestic and Stockwater Claims in Basin 25 was filed with the SRBA Court on September 16, 1998, and an *Order of Partial Decree* was issued for the above-referenced water right on February 26, 1997. During a recent investigation to process a change of ownership, clerical errors in the recommendation for this water right were discovered. Specifically, the point of diversion and place of use elements of the water right were reported incorrectly. It appears that the same clerical error occurred in the entry of the point of diversion and the place of use. The quarter-quarter description of the point of diversion and place of use should have been recommend as SWNW rather than NWNW. Attached hereto is a copy of a revised recommendation showing the proposed corrections in underline/strikeout format.

I am also sending them a copy of this correspondence to the claimant so that he is aware of this issue.

If you should have any questions, please feel free to contact me at 287-4921.

Sincerely,

Donald V. Shaff
Adjudication Bureau Chief
