Re: Subcase Nos. 63-19875

Dear Mr. Barker:

Enclosed please find the original documents entitled "Standard Form 5 – Stipulated Elements of a Water Right" (commonly referred to as SF 5) for the above referenced subcase nos. for Basin 63.

Please review the new recommendations which are attached to the original SF 5 documents. If all the information is correct, please sign and date the first page of the original and initial the page entitled "Recommendation of Water Rights Acquired Under State Law." After you have signed and initialed the original, **please return the documents to our office in the self addressed stamped envelope** provided for your convenience. Our office will gather the remaining signatures and make sure the documents are subsequently filed with the Court.

If you have any questions regarding this process or the enclosed documents please do not hesitate to call me at 287-4814.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink that reads "Renea Ridgeway". The signature is fluid and cursive, with the first name "Renea" and last name "Ridgeway" clearly distinguishable.

OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

~~This right remains subject to the right of the original appropriator, in good faith and in compliance with state laws governing changes in use and/or expansion of water rights, to cease wasting water, to change the place or manner of wasting it, or to recapture it.~~

An easement or right of way agreement providing for access to the drain by its owner and those responsible for maintaining it - and/or for access to the drain by the appropriator to divert water pursuant to this right - must be executed among the appropriator, the owner of the drain, and if appropriate, those responsible for maintaining the drain. Failure to execute such an agreement will constitute grounds for legal action to prevent water from being diverted under this right.

EXPLANATORY MATERIAL: BASIS OF CLAIM - Beneficial Use

Use of this right is combined with water from Wilder Irrigation District.
