Dear Special Master Terrence Dolan:

I am writing in regard to subcase number 75-10400, SRBA case number 39576. Although I have not yet received official notice, I understand there is a Mandatory Settlement Conference tentatively set for sometime between the end of October or November, 2008. I will be unable to attend a settlement conference during this period of time. I live in Tucson, Arizona and I have pressing family matters involving my recently deceased mother's estate to which I must attend out-of-state. I will most likely be able to be reached by cell phone should any questions arise.

Due to these circumstances, I give Russ Kozacek the right to monitor for me and speak in my behalf. Russ is also one of the involved parties in the case.

It does appear that all involved parties will have an agreement in place before the settlement conference date.

If further documentation is needed such as Power of Attorney, I can provide that if needed.

Thank you for your consideration.

Sincerely,

Susan K. Kozacek
