RE: SRBA Subcase Nos. 22-2175 & 22-7176 (City of Rexburg)

Dear Ray:

While preparing the Amended Director's Report for water right number 22-7617, the Department discovered that there were clerical errors in the recommendations for 22-2175 & 22-7176. Specifically, the place of use description erroneously contained the condition for large irrigation digital boundaries.

To correct this error, I am enclosing a Standard Form 5 ("SF5") for each of the above-referenced subcases. Please review the SF5s, and if they are acceptable, please sign on the indicated signature lines, initial the revised recommendations and return the original documents to me. I will obtain the remaining signature, file the originals with the SRBA Court and provide copies to the parties.

If you should have any questions or comments, please don't hesitate to contact me at 287-4815.

Sincerely,

A handwritten signature in cursive script that reads "Ray Williams".

Ray Williams
Paralegal

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.
