Re: Evidence of Priority, Blanche Wagoner, Star Rt.
Leadore, Idaho 83464

Gentlemen:

To my knowledge I have observed water being used for irrigation purposes as beneficial use on the Blanche Wagoner ranch from the waters of Pass Creek. I have observed this since 1947 and know the waters of Pass Creek have never been used anywhere else but on this land.

I would agree the priority date of 5-10-1888 is accurate on both claim No. A32-10124 and also on No. A32-10315.

Yours truly,

Gentlemen:

It has recently come to our attention, that certain of the water rights listed in the Birch Creek Decree (that is; the decree entered in the case of Agnes B. Reno, et al vs. J. R. Richards, et al, dated September 6, 1922, in the Ninth Judicial District Court of the State of Idaho, in and for the County of Fremont) have not, to our knowledge, ever been used on the lands to which the rights were made appurtenant under the decree, but rather, to our knowledge, have always been used in the manner set forth in this letter. It is our intention by this letter to explain how the water has been used, to release any claims which we may have on the specific water rights mentioned herein, which have been used on the others' property, and to consent to any formal transfer of such rights by the other so that the records will conform to the actual practice.

The first such right has been assigned Right No. 32-0088. The right was decreed to Frank C. and Jesse Worthing, in the amount of 1 cubic feet per second, with a priority date of July 29, 1907, and was decreed to land now owned by William T. and Theola Simmons. The decree indicates that this water right is from Pass Creek, a tributary of said Birch Creek. To the knowledge of the undersigned, this water has never been used in the manner described in the decree; but, in fact, all of the waters of Pass Creek have been used on land owned by Clifton and Blanche Waggoner. The undersigned, William T. and Theola Simmons hereby release any claim which they may have in and to said right, and hereby consent to the formal transfer by the Waggoners or their heirs, assigns or successors in interest of said water right to their lands at any time they might desire to do so.

Also, under said decree, certain portions of the water rights assigned No.s 32-0093, 32-0092, and 32-0091, are shown as being appurtenant to certain acres of land now owned by the undersigned, Clifton and Blanche Waggoner. To the knowledge of the undersigned, these rights have never been used on the lands now owned by Waggoners, and have always been used on lands now owned by William T. and Theola Simmons. The undersigned, Clifton Waggoner and Blanche Waggoner hereby release any claims in or to

the above numbered rights which they may now have by virtue of said decree, and hereby consent to the formal transfer by William T. and Theola Simmons, their heirs, assigns or successors in interest, of all or any portion of said water rights.
