Hi Walt - I sure hope your getting these - let me know if you are and if I don't here from you I will fax copies over tomorrow. There is a permit at the state office that is ready for licensing in Basin 55. It is 55-07418 (5501681265). In order to get it licensed it needs someone to go over there and sign an amendment and pay the \$50 filing fee. Do you think you could get the fee and go over and sign the amendment. Then it can be licensed and put in the report as licensed. The contact person is Shelley Keen at 327-7946. If you can't get it done in time, we will just file it as a permit. Monday is D-day. Let me know what you think. Thanks, Jan.

COMMENTS:JAN, Ok, here are some more.5101780548, and 0619, which are 51-12443 and 12514 must have been skipped by the reviewer, which was myself. I am sending you the two claims. Consequently, 12514 is withdrawn. The next little group of numbers I'll cover next. You were correct with 55015681265, 55-07418. It is over 13,000 gallons. 6101680346 and 6101680350 are drops, so don't worry about those. Lastly, 5501680259, 55-12777 is attached for your records. I hope this will keep you busy for your while.

Thanks, Walt

Subj: A FEW MORE

Just a few more. I wanted to let you know that A55-07418 - BLM # 5501681265 was claimed for a total of .54 cfs based on a permit. This is the correct claim, however, it falls outside the 13,000 gallons per day, so we will be holding it for the next report. Just so you could document it. Also, on the drop list you gave me Monday there were a couple of BLM ID #'s that I couldn't locate on the To Proceed or To Drop list. These numbers are #6101680346 & 6101680350. I could have missed them on the list and if they aren't on those two lists I have no way of finding out what the numbers for IDWR are. Could you check those out and let me know their status? One last request is if you could send us a fax of a paper claim for A55-12777 - BLM #5501680259 - we can't seem to find one here and it's on our To Proceed list. Thanks again, Jan.
