Testimony By Paul James Black

I am Paul Black and my residence is on Shoo-Fly Creek. My mailing address is P.O. Box 273, Grand View, Idaho, 83624. I was born in Bruneau on October, 9, 1912. I have been asked by Gene Davis to give a statement concerning my recollection of my early days in the Battle Creek Country, in regards to the irrigated meadows in the area of T. 9S. R. 01 E., better known to me as the Hutch Field, the Groom Field, the School Section Field, and the Vic Henge Place.

My father Joe Black owned a forty acre parcel of land for some years prior to my birth adjacent to the Vic Henge Property, and was in the horse business and cattle business for many years in that area. He bought the Groom's Field in 1915, and other properties in following years.

I grew up in this Country, as did most youngsters in those days, and spent a great deal of time horselack at an early age.

I have numerous pictures of myself being horselack as a young lad of four years old, and also of my father and neighboring cowboys during that time. I clearly recall making long rides with my father long before I started school at the age of six.

MICROFILMED

SEP 29 1992

I clearly remember before starting school of our neighbor Vic Kange harvesting hay on his meadow with a hand sythe, and a homemade hand rake. Also I recall the irrigated meadows in the above mentioned fields ~~before~~ at my earliest recollection with ditches in place and luxuriant growth of Timothy and Redtop grasses. I clearly feel that I recall the established meadows and ditches prior to my beginning school which would have been in 1918.

The above testimony is factual information that I recall about the area being described.
