CC: JSHURTE
Subj: BLM BASIN 55 STRAGGLERS

I bet you thought you had lucked out and didn't have to figure these stragglers out. As it turns out I had a family emergency and got an extension until this coming Monday (3-2-98). So, here's the situations:

55-07279 (5501588432) - Claim originally filed for Sommercamp spring, however, recent license had licensed it for Stanford Spring. So, changed the claim to Stanford spring but didn't change the point of diversion. Amended claim is needed showing the point of diversion for Stanford Spring. Note - when all is said and done there is still no filing for Sommercamp Spring.

55-11860 (5501581818) - Claimed for Owyhee River, S. FK. - Beg point in NENE, S36, 14S, 5W and end point in SWNE, S22, 15S, 4W. Places of use listed in Secs. 19, 20, 21, 28, 29 & 30, however, Owyhee River, S. Fk. doesn't run through there. I am correcting claim by adding S31 and omitting the others, so don't send an amended claim. However, please doublecheck me on this one.

55-11918 (5501581883) - Claimed for Deep Creek, trib. to Owyhee River. However, place of use does not match where Deep Creek runs. Please check this one out and submit an amended claim if you still want to claim it.

55-12464 - filed on Silver City Spring as a dual based claim. We will be disallowing the state based claim because the Silver City spring is an enclosed spring serving the homeowners with no stockwater at the spring. So, do you still want us to report a reserved right for this one. I have created one under 55-13667 (had to give it another number in order to report it since the original number is being disallowed). If you want to drop it, just submit a claim under that number with drop on it and we will. If not, it will be sent to the Court as a reserved right as is.

That's all folks - all the others I figured out. So, let me know by Friday about these if you can. Thanks, Jan.

Subject: CLAIMS

COMMENTS: Jan, ok here it is. Hopefully all these make sense and are ok. If not, give me a call.

A51-11112(5101681119)	Here is your missing claim
A51-11120(5101681127)	Here is another one.
A51-12381(5101780485)	Adjusted ditch claim with one Pod and hopefully the correct pou's.
A51-12404(5101780508)	Same area with the correct two POD's and Pou's.
A51-11961(5101780108)	This is the claim for the actual pond, I hope I got everything else right.
A51-12380(5101780484)	This is the claim for the small stream leading to the pond.
A51-10836(5101680471)	Source changed to match what the claim is.
A51-10836(5101680523)	Source should be spring
A61-11459(6101780076)	Incorrect data entry. AF has been changed to match what is actually out there. Hope that doesn't mess things up with bringing this one back in.
A55-11860(5501581818)	Locations corrected.
A55-11859(5501581817)	" "
A55-11853(5501581811)	Source changed
A55-11799(5501581541)	Source listed as spring.
A55-11730(5501581496)	Yes, it should include that location.
A55-07344(5501588494)	Withdrawn, will file administratively.
A55-07279(5501588432)	Source changed.
A55-07232(5501581143)	Withdrawn, will file administratively.

Thanks, Walt

despite additions, pou does not match source
