INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at Item 1. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at Item 2 is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at Item 3.
4. The name, mailing address, and telephone number of the new owner(s) is entered at Item 4. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At Item 5, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at Item 6.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at Item 7. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

ESCROW CLOSING INSTRUCTIONS-98-306

BORROWER: JOHN G. McDANIEL and DARCY D. McDANIEL, husband and wife

DATE: June 5, 1998

We hand you a Note and Deed of Trust in the amount of \$75,000.00 executed by JOHN G. McDANIEL and DARCY D. McDANIEL, husband and wife, the undersigned, in favor of PACIFIC ONE BANK securing the following described property situated in Adams County, Idaho:

See attached 'Exhibit A'

which we authorize you to use in connection with the above numbered escrow when you can comply with these and the attached instructions of the lender.

NOTE: A title insurance policy is being written for your mortgage lender, but that policy does not provide title insurance coverage to you. If you are uncertain whether you should obtain an owner's policy of title insurance, we urge that you seek independent advice.

We instruct you to disburse deposited funds pursuant to the Escrow Closing Statement examined and approved by us. Proceeds of this escrow may be disbursed by your checks payable to the respective parties as shown on the Escrow Closing Statement. Your checks and documents may be mailed to the addresses furnished to you.

When all documents have been signed and you have received all necessary funds, we authorize and instruct you to record the necessary documents, and disburse funds collected according to these instructions and the Escrow Closing Statement. Should this transaction close later than the specified closing date, you are to adjust the payoff amounts to the existing demands as shown on the Escrow Closing Statement to reflect any additional per diem or other amounts shown on the demand statements and make corresponding adjustments from our proceeds.

Execution of any document will be considered full approval of it. We instruct you to fill in, before closing, any incomplete instrument according to these instructions.

In the event conflicting demands are made or notices served upon you with respect to the closing, we agree that you will have the absolute right, at your election, to do either or both of the following: 1) withhold and stop all further performance of the closing; and/or 2) file a suit in interpleader to obtain an order from a court of competent jurisdiction

requiring the parties to interplead and litigate our several claims and rights among ourselves. In this event we agree to pay all costs, expenses, and reasonable attorneys' fees expended or incurred by you.

You will be responsible only for the exercise of ordinary care in the proper delivery of the subject matter of this escrow and are released from any further liability in the premises. We agree to pay on demand, and to indemnify and hold you harmless from and against all costs, damages, judgments, attorneys' fees, expenses, and liabilities of every kind or nature, suffered or incurred or arising out of this escrow except any liability founded upon your failure to exercise ordinary care in the proper delivery of the subject matter of this escrow.

We have been specifically informed that you are not licensed to practice law and no legal advice has been offered by the company or any of its employees. We have been further informed that the company is acting only as escrow closer and that it is forbidden by law from offering any advice to any party respecting the merits of this escrow transaction or the nature of the instruments used, and that neither it nor its employees have done so. We have not been discouraged from seeking advice of any attorney, but have been requested to seek legal counsel of our own choosing, if we have doubts concerning any aspect of this transaction.

We declare that all instruments to which we are a party, if prepared by the escrow company or any of its employees, have been prepared under the direction of our attorney or ourselves, and particularly declare that copying legal descriptions from title reports onto deed forms or reforming of legal descriptions or agreements are, or will be solely at our direction and request.

You are to furnish to any lender identified with this transaction or anyone acting for such lender or any other party to this escrow, any information and copies of documents concerning this escrow, should they so request.

We have been afforded adequate opportunity to read and understand, and have read and fully understand these instructions and all other documents that are a part of this escrow and agree to the same.
