INSTRUCTIONS

This form is used to file a late Notice of Claim or an amendment to a Notice of Claim in a reporting area where the Director's Report has been filed. Forms may be obtained from the SRBA Court, the Idaho Department of Water Resources (IDWR), or you may copy or reproduce this blank form. If you copy or reproduce this form, please copy on both sides with the even-number pages upside down.

The water tight number for your late or amended claim must be indicated above in the blank space following "Subcase." You must use a **separate form for each** late or amended Notice of Claim.

This form has been adopted by the court in *SRBA Administrative Order 1, Rules of Procedure* (amended Sept. 30, 1996), Section 4, which may be consulted for further information.

By filing a *Motion to File a Late Notice of Claim* or a *Motion to File an Amended Notice of Claim*, you certify that it is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and is not filed for any improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation.

X I have read *SRBA Administrative Order 1, Rules of Procedure* (amended Oct. 10, 1997).

My name is _____

My address is _____

My phone number is: Work _____ Home _____

I am an attorney representing Eddie E. Baker and Eddie Baker, Jr.

My name is Daniel V. Steenson

My address is Ringert Law Chartered, 455 S. Third St., P.O. Box 2773, Boise, ID 83701-2773

My phone number is (208) 342-4591

MOTION TO FILE A LATE NOTICE OF CLAIM

A Motion to File a Late Notice of Claim will require a hearing before the Presiding Judge.

X I did not file a Notice of claim to the use of water in the SRBA because:

The claimants were unaware that the quantities that were claimed, recommended and decreed for their water rights were insufficient to provide for conveyance losses. The inadequacy of the decreed quantities has become clear in recent years, after the issuance of the partial decrees, as a result of measurements, the installation of fish screens in diversions, and notice from IDWR that diversions from the East Fork of the Salmon River will be subject to administration by a Water Master beginning in 2009.

☐ I filed a Notice of Claim and elected to defer judicial proceedings on my domestic or stock watering use. I desire to reinstate my Notice of claim for domestic or stock watering use.

X I am providing legal and factual documentation for my claimed use of water. You must describe these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)

(1) Late Notice of Claim, (2) table entitled "Eddie Baker, Jr. Water Rights, Late Claims & Measurements," (3) Affidavit of Edwin E. Baker, Jr., (4) Affidavit of Edwin E. Baker, (5) Affidavit of Larry Weeks, and (6) Affidavit of Brian Hamilton.

I have attached:

- ☒ A fully completed Notice of Claim (available for IDWR).
- ☐ A claim filing fee for a domestic and stock watering use. IDWR may charge this fee pursuant to I. C. § 42-1414. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$_____.
- ☒ A claim filing fee and late claim for those claims other than a domestic or stock watering use for which a notice of claim was not filed. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$100 (\$50 flat fee and \$50 late fee). (Water rights for irrigation of the acres referenced in the claim have been decreed.)

Follow these instructions regarding the hearing on this motion.

1. Contact the Clerk of the SRBA Court (208-736-3011) to request a hearing date and time.
2. Fill in the following information:

This motion will be heard on Tuesday, January 20, 2009, at 1:30p.m.
(Insert Date and Time)

at the SRBA courthouse, 253 Third Avenue North, Twin Falls, Idaho.

MOTION TO FILE AN AMENDED NOTICE OF CLAIM

A Motion to File an Amended Notice of Claim may require a hearing before the Presiding Judge or Special Master or may be granted by leave of the court or by written consent of the parties and the Idaho Department of Water Resources. Leave to amend a claim shall be freely given when justice so requires.

- ☐ I must amend my Notice of Claim to the use of water in the SRBA because:

- ☐ I am providing legal and factual documentation to support my amended Notice of Claim. You must describe these documents and attach a readable copy.

I have attached:

- ☐ An amended Notice of Claim (available from IDWR).
- ☐ Payment of the following additional fees required by IDWR:
