Dear Mr. Rieman:

I am writing in regard to our telephone conversation of April 18, 1990. Enclosed you will find a copy of Notice of Claim to a Water Right, number A79-04027.

This is the claim with the 1909 priority date. The uses are the same as for the claim with the 1969 priority date. I am enclosing a copy of both claims. Please look over both. I have done some further checking on this and it seems that the 1969 claim was filed to reflect an enlargement of the pond. Therefore, both claims together show an amount of 0.20 acre-feet per annum. If this is accurate, you may want to retain both claims.

Please review both claims for accuracy. If you prefer to keep the earlier claim (1909), sign and notarize this claim. If you would like to have both claims (1909 and 1969 enlargement) I will need an additional \$25.00 claim fee. In the interest of insuring that you have an accurate water right, please advise me as to how you would like to proceed on this. I am enclosing a stamped, self-addressed envelope for your convenience.

Sincerely,

Linda A. Werner

Clarence Riman - talked to him this date.
Above claim & A79-10238 are duplicate
filings. Claimant would like to withdraw
A79-10238 in favor of A79-04027 because
of earlier priority date. Therefore - will need
to modify receipt. -

After doing more checking - I
find that one claim may be for enlargement

Re: Clarence Rieman

=====

Mr. Rieman signed a claim numbered A79-10001 on May 31, 1988. For some reason, this claim was subsequently re-numbered as A79-10238. Receipt No. W000341 covers this claim for \$25.00.

Although A79-10238 refers to A79-04027, that claim was not signed until April 23, 1990 after correspondence from Linda Werner. There is no record of payment for A79-04027.

I will request payment for A79-04027, assuming that A79-10238 represents an enlargement of the pond.

Dear Mr. Rieman:

I am writing in regard to our telephone conversation of April 18, 1990. Enclosed you will find a copy of Notice of Claim to a Water Right, number A79-04027.

This is the claim with the 1909 priority date. The uses are the same as for the claim with the 1969 priority date. I am enclosing a copy of both claims. Please look over both. I have done some further checking on this and it seems that the 1969 claim was filed to reflect an enlargement of the pond. Therefore, both claims together show an amount of 0.20 acre-feet per annum. If this is accurate, you may want to retain both claims.

Please review both claims for accuracy. If you prefer to keep the earlier claim (1909), sign and notarize this claim. If you would like to have both claims (1909 and 1969 enlargement) I will need an additional \$25.00 claim fee. In the interest of insuring that you have an accurate water right, please advise me as to how you would like to proceed on this. I am enclosing a stamped, self-addressed envelope for your convenience.

Sincerely,

Linda A. Werner

Clarence Ruman - talked to him this date.
Above claim & A79-10238 are duplicate
filings. Claimant would like to withdraw
A79-10238 in favor of A79-04027 because
of earlier priority date. Therefore - will need
to modify recpt. -

After doing more checking, I
find that one claim may be for enlargement
of his bond. See letter.
