The Keuterwill Post Office was broken into in March 1998, by former renters, so the present renters couldn't get into the Store / Bar / Post Office as the breaker-inners changed the locks in the doors during the night, so the present renters phoned to the Cottonwood Post Office - so the postmaster Lee Uhling (now retired) went to Keuterwill and removed all the mail, till a mail route was established and we - Franks and Alice Kovalski were given the new address of HC 3 Box 39 Keuterwill ID 83522, in May 1998. This was the reason we still have Keuterwill as our area has been known as Keuterwill since 1896.

If we, about 60 families, were all given the Cottonwood name - where would people trying to find us start from? So with the Keuterwill name, everyone knows to head for the Keuterwill area to find us, and the present young couple, seen in their early 40's, now running the Cafe / Bar, were raised locally so know everyone and can tell you within a mile of where we all live. Years ago Greencreek Idaho, where my brothers live 20 miles from ~~here~~ ^{us}, lost their post office too, ~~but~~ and the majority of them still have 'Greencreek' as their address, it just makes sense - if Bart Nufall's address would be Cottonwood and we, 20 miles away had Cottonwood - how would we be found? The town of Cottonwood have so many people, born of the Nufall family, as business people who know and call us by our first names. How would you Boise people find other people if Eagle, Idaho City, ~~Idaho~~, Nampa, Meridian all had a Boise address?

RE: Domestic and/or Stockwater Rights in Reporting Area 24, Basin 79
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your domestic and/or stockwater water right(s) in basin 79 (the Salmon River drainage area below Riggins). We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended domestic and stockwater right(s) in your area. Water rights for irrigation and other purposes in basin 79 will be recommended in a later process.

Note that you have 180 days in which to file any objection to our recommendation and to review the domestic and stockwater water rights of other claimants, including those of the United States. Information on the other water rights can be found at the county courthouses in Burley, Gooding, Jerome, Mountain Home, Twin Falls, Murphy, Boise, Caldwell, Payette, Weiser, Council, Grangeville, Lewiston, Nezperce, Cascade, Salmon, Challis, and all of the Idaho Department of Water Resources offices (see addresses in enclosure).

If the Court does not receive an objection from you about our recommendation, and no other party objects to your water right, your water right will be decreed as recommended after the 180-day objection period. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions that you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director
