Dear Claimant,

The Department of Water Resources will be conducting adjudication claim verification examinations in your area in August and September, 1994. After these examinations are complete, your water rights will be recommended for decree by Judge Hurlbutt in the Snake River Basin Adjudication. The recommendations will be based on our findings in the field.

Information on your claims that may need to be verified includes: the source of water used, water uses and amounts of use, legal descriptions of the point of diversion and place of water use, etc..

It is not mandatory that you accompany the field agent during the examination. However, it would be very helpful if you, or a knowledgeable representative, could be available should questions arise.

I will be contacting you to schedule the examination. If you have questions, or are ready to schedule the examination now, please call me at (208)327-7925 in Boise. I would be glad to work with your representative in Idaho.

Sincerely,

A handwritten signature in cursive script that reads 'Roxanne McCarthy'.
