CLAIMANT'S NAME: HOFFMAN / HUNTDATE: 06/12/1995CITY: ElmoreEMPLOYEE: TRINICUCCI

On June 7, 1995 I made a field visit to the Hunt's property on Rattlesnake Creek, just north of Mountain Home. At that time Mr. Preston Lord, Farm manager, asked me to investigate some IDWR correspondence he had received about property in Dixie (Elmore county) his family had purchased.

After finding his claim (A61-00118B) and reviewing IDWR correspondence and the decree (63-E) it appears that a clerical error was made when the decree was issued. Decree II speaks to the lands in T01S, R08E S.23, lots 1, 2, 3, & ~~S~~ S $\frac{1}{2}$ NE $\frac{1}{4}$. However the final wording changes the section to S.25. IDWR's data base listed both sections, so that when it which was carried over to the SRBA claim. When Hunt submitted the Change of Ownership the lands in S.25 were not included and the claim was split (11/1994). No response to IDWR corr. was received the split was finalized. Elmore County assessor confirms that S $\frac{1}{2}$ NE $\frac{1}{4}$ in S.25 is public land and not owned by the Hoffmans. At this time it appears that a clerical error was made in the decree and that the appurtenant lands to 61-00118 are all in T01S, R08E, section 23. Close examination of the decree shows that IDWR may have misread 23 as 25 (decree typed in 1915).

Dear Wateruser(s):

This office has reviewed the Notice of Change of Water Right Ownership form submitted to our office. However, due to the items checked below, we cannot continue to process this ownership change. We are returning the Notice of Change of Ownership to you to COMPLETE OR RESEARCH ONLY THE FOLLOWING ITEM(S) SHOWING A CHECKMARK IN THE BLANK FOR THAT ITEM(S).

SEE NEXT PAGE

There is no existing water right in our records either under the former owner's name or for the legal description given. If, after contacting the former owner, you find more information concerning a water right, please contact us.

Legal description of property. Please complete showing the legal description by 1/41/4 (40-acre tract), section, township and range for the property changing ownership. If you only have a subdivision lot & block legal description, please send us a copy of your subdivision plat map.

It appears you receive your water from an irrigation district, ditch company, municipality or community water company. If this is the case, then the water right remains in the name of this entity and you should contact them concerning the ownership change.

Name and address of former owner (seller). This will clarify the original owner of the water right.

Name, address and phone number of new owner (purchaser).

This change in ownership appears to result in a splitting of the water right. A split of the water right occurs when the ownership change affects only a portion of the original right. In order to accurately split this right we must know what portion of the right was sold. The amount of water in CFS, the place of use by 1/4 1/4 with the number of acres in each 1/41/4 (if applicable) and the point of diversion by 1/41/4, Section, Township and Range is needed. If this right is not being split, please submit proof of ownership for the remaining portion.
Enclosed is a computer copy of this right for your review.

Proof of ownership is needed. This proof can be a copy of the warranty deed, sales contract or tax assessment in your name which includes a description of this property by 1/41/4, Section, Township and Range.

RECEIVED

SEP 27 1994

Signature of new owner (purchaser) is needed on this form.

X other: This water right also has a place of use in Section 25. See map. The warranty deed submitted does not list this area. Do you own this parcel? Does the water right need to be split?

Please complete the above item(s), if required, on the Notice of Change of Water Right Ownership form and return it with the requested information to the Department of Water Resources, Western Region Office, 2735 Airport Way, Boise, ID 83705. If we do not hear from you within 30 days, the claim upon which this form was filed(if one exists), will remain in the original owner's name.
