HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at Item 1. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at Item 2 is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at Item 3.
4. The name, mailing address, and telephone number of the new owner(s) is entered at Item 4. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At Item 5, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at Item 6.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.
7. The new owner(s) must sign the form in the space(s) provided at Item 7. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

Dear Mr. and Mrs. Belquist:

Pursuant to our telephone conversation this afternoon, I have prepared another Notice of Claim to a Water Right for your signature. I took the information from the copy of the original claim which we had attached to copies of our correspondences. Please look over the Notice of Claim for any errors, and if it is correct, sign it in the presence of a Notary Public on the second page, and return it to my attention with the \$50.00 late fee which we discussed. We will forward a copy of the Claim to you after we have entered it into our computer files.

Either one of you can sign this form in the presence of the Notary as I have put an "and/or" between your names on page one. If you have any questions in regard to this matter, please feel free to contact me.

Sincerely,

Dear Claimant(s):

On February 12, 1992 we sent a letter to you and returned your Notice of Claim submitted during the Snake River Basin Adjudication water right claims filing. This claim was returned to you as it needed further information before being acceptable for filing. The letter (copy enclosed) sent with the claim informed you of what information was needed and gave a 30 day response time, explaining that if no response was received we would refund the filing fee paid, if any, and consider your claim as rejected. The 30 day time period has passed and we have not yet received either a response to this letter, or the claim returned.

Therefore, we have initiated the refund process, if a filing fee was paid, and have marked your claim as rejected. If you decide to file in the future, the original filing fee that is now being refunded, plus a \$50 late fee will be required. This claim can be resubmitted until claims in this area are recommended to the court for decree.

Sincerely,

RE: Notice of Claim to a Water Right

W. Swan or Adeline M. Belquist
19036 Midland Blvd.
Nampa, ID 83687

Dear Mr. and Mrs. Belquist:

This office has received your Notice of Claim to a Water Right for the use of water within the Snake River Basin Water System. However, due to the item(s) described below, we cannot process this claim. We are returning the claim to you to **complete only the items identified herein.** Receipt No. W011786 in the amount of \$25. for the filing fee previously submitted is also enclosed.

Please note that the deadline for filing claims in Canyon County was March 1, 1990, and that your claim was received on April 2, 1990. When a claim is filed after the claims filing date for that county, a late fee is charged. The late fee is either a \$50. flat fee or 15% of the original filing fee, whichever is greater, per claim filed in addition to the filing fee already submitted. The late fees are mandated by Idaho Code, Section 42-1409(b). The reason for the late fee was to give people incentive to complete their claims in a reasonable amount of time. The Department made every effort to assist people with filling out their claims and to allow ample time for people to complete their filings. In order to file the claim as a part of the adjudication the late fee must be submitted to our office within 30 days. **The late fee due for this claim is \$50.00.** If this late fee is not received within the 30-day time period, this claim will be rejected and your original filing fee, if one was paid, will be refunded. Please contact me within the 30-day time period if there is a problem returning this fee.

We are providing the opportunity for you to file a Request for an Extension of Time to avoid this late charge. Enclosed is a Request for Extension form which will need to be completed and returned to our office with the above late fee, within the 30 day time period. Please send this form and late fee to my attention. If this extension request is granted, the late fee paid will be refunded to you.

If your use is for domestic or stockwater purposes, please read the enclosed brochure entitled, "The Snake River Basin Water Right Adjudication, A Quick Guide to the Special Domestic & Stockwater Filing Procedure". This brochure explains the deferral procedure available on filings for these rights. Also enclosed is a request for deferral of claim if you decide to defer your claim. **MICROFILMED**
this brochure.

SEP 01 1992

Item No. 9 - **Non-Irrigation Uses** - You did not list the type and number of stock that will be using this water. Please add this information to the claim form.

Please complete the above item on your claim form, **initial and date any changes or additions**, and return the claim, with the requested fee, to our office **within 30 days from the date of this letter**. If the claim, and fee requested, is not received within this 30-day period, the claim will be rejected and your fee, that was paid previously, will be refunded. Please contact me within the 30-day time period, either in writing or by phone, to let me know if there is a problem returning the claim, or fee, in order to keep this claim valid.

If the claim is rejected and fee refunded, due to no response within the 30-days, the claim can be resubmitted up until claims in this area are prepared for court decree. However, at that time the corrected claim along with the regular filing fee that was refunded, and an additional late fee will be required. Please return your claim, any information needed, and the fee requested, to the Western Region Office, 2735 Airport Way, Boise, ID 83705.

Feel free to contact this office if you have any questions concerning the items identified in this letter.

Sincerely,
