INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights, and, if a required claim for the water right has not been filed, to file the needed claim.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. If you would like any of these brochures, or if you have questions about completing this form, please contact your nearest IDWR office or call 1-800-451-4129.

If you need additional space to describe or explain any of the items on the form, please attach additional sheets to the form as you may require.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at Item 1. If you or the seller believe there are water rights for the property but the numbers are unknown, you may wish to call IDWR or come into an office of IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at Item 2 is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at Item 3.
4. The name, mailing address, and telephone number of the new owner(s) is entered at Item 4. Please indicate the relationship between multiple owners by using the connector "and", "or" or "and/or". If an "and" is used, all parties must sign this form. If an "and/or" or "or" is used, all parties may sign, however only one of the named parties is required to sign.
5. At Item 5, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. If the property you have purchased is only a portion of the property owned by the former owner/seller, you may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at Item 6.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at Item 7. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

(a) The sum of Thirty-six Thousand Dollars (\$36,000) shall be paid in equal monthly amortized payments of Three Hundred Eighty Dollars (\$360) per month over a fifteen (15) year period. The unpaid principal shall bear interest at the rate of eight and three quarters percent (8 3/4%). Interest shall

(c) If payments are not paid in the manner and at the time or times as above stated, the entire unpaid balance, both principal and interest, will become immediately due and collectible at the option of SELLER. Failure of the SELLER to accelerate upon default shall not constitute a waiver of such right in the event of a subsequent default.

3. FALSE REPRESENTATIONS AND WARRANTIES: It is mutually understood and agreed that the property being sold under the terms of this Contract has been inspected by the PURCHASERS and that the same is being purchased by them wholly as the result of said inspection and not upon any representation made by the SELLER, his agents, and/or attorneys, and the PURCHASERS hereby waive any and all claims for damages by reason of any cancellation or foreclosure of this agreement, or otherwise, because of any representation made by any person, whomsoever, other than as is contained in this agreement.

4. TRUTH-IN-LENDING -- UNIFORM CONSUMER CREDIT CODE: It is hereby disclosed by the SELLER on this date, and acknowledged by the PURCHASERS, that the SELLER is not a person who, in the ordinary course of business regularly extends, or arranges for the extension of consumer credit of this kind, or offers to extend or arrange for the extension of such credit, and said SELLER is not regularly engaged as SELLER in credit transactions of the kind included within this agreement, and is, consequently, exempt from the provisions of the Federal Truth-in-Lending Act and/or the Uniform Consumer Credit Code of the State of Idaho.

5. POSSESSION: Possession has already been delivered to the PURCHASERS in the Spring of 1989. PURCHASERS shall be entitled to remain in possession so long as they are not in default under the terms of this agreement.

6. TAXES AND ASSESSMENTS: SELLER agrees to assume and pay all taxes and assessments for 1988 and theretofore;

PURCHASERS shall assume and pay all taxes and assessments for the year 1989 and thereafter.

7. WARRANTY DEED AND TITLE INSURANCE: It is mutually understood and agreed by and between the parties hereto that upon full payment of the purchase price, the SELLER shall furnish a Warranty Deed, and shall convey a good and marketable title, free and clear of any and all liens, encumbrances, taxes or assessments of whatsoever nature, except those liens, encumbrances, taxes or assessments which, by the terms of this contract the PURCHASERS do specifically agreed to assume and pay, or which they create. Also subject to easements and rights-of-way for highways, roads, ditches, canals, pole, power and transmission lines as they may exist, and any other easements or claims of easements, protective covenants, zoning ordinances and applicable building codes, laws and regulations, encroachments, overlaps, boundary line disputes and other matters which would be disclosed by an accurate survey or inspection of the premises, and subject to the usual printed exceptions contained in the title policies currently being issued.

SELLER agrees to furnish title insurance indicating title in that condition at such time that this Contract is paid in full.

8. DEFAULT: This agreement is made upon the express condition that time and punctuality of payment are of the essence and a material part of this Contract. In the event PURCHASERS shall default in the performance of the terms of this agreement, SELLER may cause notice in writing to be given to PURCHASERS specifying the matters in which such default occurred. The notice shall be served upon PURCHASERS by depositing the same in a United States Post Office, addressed to the PURCHASERS at 155 1/2 South 400 West, Apt. #1, Logan, Utah 84321. Said notice shall be sent by certified and/or registered mail, return receipt requested, postage prepaid, and such notice shall be deemed served upon its deposit in the post office as aforesaid. If PURCHASERS shall fail to cure such default within sixty (60) days after the service of such notice as aforesaid, then SELLER may elect to do any one or more of the following:

(a) Declare the entire unpaid balance on the Contract, including principal, interest, taxes, assessments, attorney's fees, and any other sums owing SELLER to be immediately due and owing.

(b) Bring an action for specific performance of the terms, covenants and conditions of this agreement, and to require and enforce full and complete performance by PURCHASERS of said terms, covenants and conditions.

(c) Rescind this Contract and recover full and compete restitution from PURCHASERS.

(d) Declare this Contract to be terminated due to said default. In that event, this Contract shall be immediately terminated and PURCHASERS shall forfeit all rights to said premises, and all payments made hereon shall be retained by SELLER as liquidated damages for breach of this Contract. In that event, PURCHASERS agree to immediately surrender possession of the premises, and any improvements made thereon shall attach to and become a part of the real property and shall be retained as liquidated damages.

(e) To pursue any other remedy in law or equity to enforce the performance of this contract, or to recover damages for the breach thereof.

(f) Bring an action against PURCHASERS for strict foreclosure of this Contract of Sale.

(g) Notwithstanding anything herein to the contrary, since PURCHASERS have paid nothing down, SELLER may elect to terminate the Contract and forfeit the interest of PURCHASERS herein as provided in Paragraph (c), and, in addition, may bring an action for any damages to which SELLER may be entitled and which are not covered by what, in most circumstances, would be a down payment. Said damages include, but are not limited to, such things as any reduction in value of the property between the date of this Contract and any date of default, any injury or destruction to the premises, attorney's fees, a fair rental figure for use and occupancy of the property while the Contract was in effect, together with any and all other damages which might occur.

RELIEF UNDER ANY AND ALL REMEDIES:

(h) No matter which one or more of the above remedies SELLER pursues, he shall be entitled in addition to the relief described, attorney's fees and all costs including costs of title search which right shall survive forfeiture and/or termination of this Contract.

9. COST TO PREPARE NOTICES: In the event it is necessary for SELLER to cause any notice in writing to be given under the preceding paragraph, and following said notice the default is cured, PURCHASERS nevertheless agree to pay all attorneys fees incurred by SELLER leading to the sending of the notice, and the preparation thereof, in an amount of not less than \$100.00. It is agreed the default will not be fully cured until said fees are paid.

10. DUE ON SALE: In the event PURCHASERS shall sell, assign, convey or otherwise transfer this Contract, or any interest herein, or in the property described herein, the entire unpaid balance of this Contract shall become immediately due and payable. SELLER has agreed to accept eight and three quarters percent (8 3/4%) interest for the PURCHASERS named herein, but would not agree to such an interest rate for any other PURCHASERS. PURCHASERS have been operating the premises for sometime, and have taken good care of them. SELLER therefore agreed to sell to the PURCHASERS with little down, but would not agree to such a term with any other PURCHASER. Consequently, as provided herein, the terms of this Contract are available only to the PURCHASERS and no other persons.

11. LIENS: It is understood and agreed that the PURCHASERS shall not, or will not, suffer or permit any mechanics' liens or other liens to attach to or be against the above described premises which shall or may be superior to the rights of the SELLER herein.

12. PREPAYMENT: PURCHASERS shall have the option to prepay any amounts provided for in this Contract, however, PURCHASERS must prepay the amounts in this Contract prior to any amounts due on a separate contract covering the sale of forty (40) acres sold concurrent with this Contract.

13. ASSIGNMENT OR SALE OF CONTRACT: No assignment or sale of this Contract, or interest therein, or in the property described herein, shall be made without the written consent of the SELLER, provided such consent shall not unreasonably be withheld.

14. HEIRS, EXECUTORS, ADMINISTRATORS, PERSONAL REPRESENTATIVES: All covenants and agreements herein contained shall extend and be obligatory upon the heirs, executors, administrators, personal representatives, successors and assigns of the respective parties hereto.

15. ATTORNEY'S FEES: In the event it is necessary for either party to commence an action to enforce or defend any covenant contained herein, or to terminate any rights hereunder, or to institute suit hereunder, the unsuccessful party agrees to pay all reasonable attorney's fees of the successful party, together with all costs, including searching records to determine condition of title, which sum shall be included in any judgment or decree entered in such suit.
