RE:Evidence of Priority

To Whom Concerned,

In reference to Water Permit Claim #A32-04053. This is a spring that has always ran into our irrigation ditch and ran on into our field with no channel to return it to the main creek. We use the water for irrigation and stock water.

I can remember the spring water running in our ditch from atleast 1920, and we have used the water from atleast that time.

Sincerely,

Thomas Stelzer
