Reference: Adjudication claim for water right No. ~~A3210042~~

This is to certify that I have personal knowledge of the construction and use of water by Hoggan Bros. Ranch located at Medicine Lodge Creek, Clark County.

The unnamed drain ditch and irrigation system were constructed in the big meadow, northwest of the ranch headquarters, Sec 28, T-12N, R-33E. The construction occurred in the early sixties, 1963 and 1964 to my best knowledge.

The system was designed to control water levels in the meadow by sub irrigation or lowering the table as desired and using water on other fields.
