NOTICE OF CLAIM NO.: 63-19768

Ref: AMENDED CLAIM

Dear Ron,

Since we last met, we talked about doing something about your stock water from Dry Buck Creek. We could AMEND CHANGES to reflect stock water uses from your Spring Claim 63-19768 (Since we could not find the location of this claim's place of use or point of diversion).

1. The new amended claim could reflect the Dry Buck Creek point of diversion and date of priority in which we already looked at. (Domingo's claim to irrigation by the airport, 63-2221).
2. Enclosed are 2-maps that you may need to mark the location of the stock pond from the ditch of this diversion. (We located the point of diversion and done the drive by field exam on Oct. 23, 2001).
3. If you would like me to help prepare a new or amended claim, please call me ASAP!

Sincerely,

Ron Howerton
