) ORDER SETTING DEADLINES

No objections were filed to the *Director's Report* for the above-captioned water right claim. However, in the Court's review of the uncontested water rights in Basin 67, the court inquired of IDWR as to whether this ground water right should be limited in terms of acre-feet per year. IDWR responded that the recommendation for the right in the *Director's Report* should have included such a limitation.

In accordance with the foregoing, the following are hereby **ordered**:

1) IDWR shall file an *Amended Director's Report* for the above-captioned water right claim no later than **November 28, 2008**.

2) Notice of the filing of the *Amended Director's Report* shall be published on the Court's Docket Sheet in December, 2008, and objections to the *Amended Director's Report* shall be filed by **December 29, 2008**.
