INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Section 42-1409(7), Idaho Code. This statute provides that new property owners notify the Department of Water Resources (IDWR) of any change in ownership of a water right during an adjudication of water rights, and if a claim for the water right has not been filed to file the needed claim(s).

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. If you would like any of these brochures or if you have questions about completing this form please contact your nearest office of IDWR or you may call 1-800-451-4129 (toll-free).

The first line of the form asks for the date of closing so IDWR will have a record of the effective date of the property transfer.

The second line of information requires the legal description of the property being transferred. This information is **ESSENTIAL** and should be available from the documents that will be present at the time of closing. The first two lines of the legal description **MUST** be completed. IDWR's records are based upon legal descriptions using township, range, section and fractions of a section descriptions, and this information must be included on the form. If you also have available a legal description based upon a townsite or subdivision and lot and block number, please also include this additional information. A lot and block legal description is **NOT** a substitute for the township, range, section and fraction of a section description.

After completing the legal description, if all water is supplied by a public service water supply you may check the first box; complete the name, address and telephone information for yourself, the new owner; sign the form in the space provided and return the form to the IDWR office nearest you.

If there are water rights associated with the property, the seller should be able to provide you with the water right number(s). The water right number(s) for the property are to be put in the space provided at the second box on the form. If you or the seller believe there are water rights for the property but the numbers are unknown, then you may wish to call or come into an office of IDWR for assistance in identifying the water rights for the property involved. If claims for the property have not been filed you will be so advised by IDWR.

After the water right number(s) for the property has been entered on the form, complete the name and address information for **BOTH** the former owner/seller and for yourself, the new owner, in the spaces provided. Please also include your telephone number. If the property you have purchased is only part of the property owned by the former owner/seller, you may be purchasing only part of the total water right held by the seller. This means the water right held by the seller must be split so you get your proportionate share of the water right. Be sure to include a description of the portion of the water right you have purchased. The seller should be able to help you describe the portion of the water right for the property you have purchased.

If the former owner/seller will sign the form and the seller is shown as the claimant of the water right in IDWR's records, then you do not need to attach proof of ownership of the land or the water right. The seller should know if the original claim was filed by him, or if the seller has filed a change in ownership so the seller is shown as the claimant of the water right in IDWR's records. If the seller is not going to sign the form then you must attach some proof of ownership of the property described at the top of the form or proof of ownership referencing the specific water right(s) for the property.

The new owner must sign the form in the space provided. If the former owner/seller is available to sign the form please do so in the space provided.

When complete, the new owner and the former owner/seller should each retain one of the copies and return the original of the form to IDWR. You may return the form to the IDWR office nearest you or to: Idaho Department of Water Resources, Statehouse Mail, Boise, ID 83720-9000, Attention: Adjudication Bureau.

INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at **Item 1**. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at **Item 2** is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at **Item 3**.
4. The name, mailing address, and telephone number of the new owner(s) is entered at **Item 4**. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At **Item 5**, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at **Item 6**.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at **Item 7**. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

I, CARROLL ALBERT SEELIGER, of Washington County, State of Idaho, designate and appoint SHERYL LYNNE SEELIGER of 1204 Beacon, Boise, Ada County, State of Idaho, as my attorney in fact and agent (subsequently called "agent") to act in my name and for my benefit. I grant to my agent full power and authority to do everything necessary in exercising any of the powers herein granted as fully as I might or could do if personally present and fully competent, hereby ratifying and confirming all that my agent shall lawfully do or cause to be done by virtue of this power of attorney and the powers herein granted.

1.00 General Grant of Power. My agent shall have power to exercise or perform any act, power, duty, right or obligation whatsoever that I now have or may hereafter acquire, relating to any person, matter, transaction or property, real or personal, tangible or intangible, now owned or hereafter acquired by me, including, without limitation, the powers specifically enumerated in this instrument. Generally, my agent shall have power to do and perform all matters, transact all business, and make, execute and acknowledge all contracts, orders, deeds, mortgages, leases, assignments, assurances, and instruments of every kind which may be requisite or proper to effectuate the purposes of this general power of attorney.

2.00 Specific Powers. Without in any way limiting the generality of the power and authority conferred upon my agent by this instrument, my agent shall have and may exercise each of the following specific powers:

a. Power to Acquire and Sell. To acquire, purchase, exchange, grant options and sell, assign, release, convey, mortgage, hypothecate, lease, and accept and take possession of real and personal property and interests therein, both tangible and intangible, upon such terms, conditions, and covenants as my agent shall deem proper and to sign, seal, execute and deliver and acknowledge such deeds, leases, contracts, assignments, indentures,

agreements, mortgages, security interests, and judgments, and such other instruments in writing as shall be proper.

b. Borrowing and Banking Powers. To borrow moneys on my behalf and to sign, seal, execute, deliver and acknowledge on my behalf such promissory notes, bills, bonds, or other evidence of indebtedness and such mortgages, deeds of trust, security agreements, pledges, or other documents to secure the payment of borrowed funds as my agent shall deem proper. To make, receive, and endorse checks and drafts, deposit and withdraw funds, acquire and redeem certificates of deposit, in banks, savings and loan associations, and other financial institutions, and to release such mortgages, deeds of trust, or other security instruments as may be necessary or proper in the exercise of the rights and powers herein granted.

c. Powers of Collection and Payment. To forgive, request, demand, sue for, recover, collect, receive and hold all sums of money, debts, dues, commercial paper, checks, drafts, accounts, deposits, legacies, bequests, devises, notes, interests, stock certificates, bonds, dividends, certificates of deposit, annuities, pension, profit sharing, retirement, social security, medicare, insurance, and other contractual benefits and proceeds, all documents of title, all property and property rights, real or personal, intangible and tangible, and demands whatsoever, liquidated or unliquidated, now or hereafter owned by, or due, owing, payable or belonging to, me or in which I have or may hereafter acquire an interest; to have, use, and take all lawful means and equitable and legal remedies and proceedings in my name and for the collection and recovery thereof including the enforcement of mortgages, deeds of trust and security instruments, and to adjust, sell, compromise, and agree for the same, and to execute and deliver for me, on my behalf, and in my name, all endorsements, releases, receipts, or other sufficient discharges for the same. To pay and discharge all debts and demands due and payable or which may hereafter become due and payable by me to any person or persons whomsoever.

d. Management Powers. To maintain, repair, improve, invest, manage, insure, rent, lease, encumber, partition and in any manner deal with any real or personal property, tangible or intangible, or any interest therein, that I now own or may hereafter acquire, upon such terms and conditions as my agent shall deem proper, and to transfer any of all of my assets to the trustee of any revocable living trust which I may have created.

e. Motor Vehicles. To apply for a certificate of title upon, and endorse and transfer title to, any motor vehicle, and to represent in such transfer assignment that the title to said motor vehicle is free and clear of all

liens and encumbrances except those specifically set for in such transfer assignment.

f. Business Interests. To conduct or participate in any lawful business of whatever nature; to execute partnership agreements and amendments thereto; to incorporate, reorganize, merge, consolidate, recapitalize, sell, liquidate or dissolve any business; to elect or employ officers, directors and agents; to carry out the provisions of any agreement for the sale of any business interest or the stock therein; and to exercise voting rights with respect to stock, either in person or by proxy, and to exercise stock options.

g. Tax Powers. To prepare, sign and file joint or separate income tax returns or declarations of estimated tax for any year or years; to prepare, sign and file gift tax returns with respect to gifts made by me for any year or years; to consent to any gift and to utilize any gift-splitting provision or other tax election; and to prepare, sign and file any claims for refund of any tax.

h. Safe Deposit Boxes. To have access at any time or times to any safe deposit box rented by me, wheresoever located, and to remove all or any part of the contents thereof, and to surrender or relinquish said safe deposit box, and any institution in which any such safe deposit box may be located shall not incur any liability to me or my estate as a result of permitting my agent to exercise this power.

3.00 Revocability. This power of attorney is revocable, provided, that insofar as any governmental agency, bank, trust company, insurance company, transfer agent, or other person shall rely upon this power, this power may be revoked only by a notice in writing executed by me or my agent and delivered to such person or institution.

4.00 Interpretation. This instrument is to be construed and interpreted as a general power of attorney. The enumeration of specific powers herein is not intended to, nor does it, limit or restrict the general powers herein granted to my agent.

5.00 Disability of Principal. This general power of attorney shall not be affected by subsequent disability or incapacity of the principal.

6.00 Third Party Reliance. Third parties may rely upon the representations of my agent as to all matters relating to any power granted to my agent, and no person who may act in reliance upon the representations of

my agent or the authority granted to my agent shall incur any liability to me or my estate as a result of permitting my agent to exercise any such power.

7.00 Expiration. Unless sooner revoked in the manner above provided, this general power of attorney shall expire only upon the death of the principal.

8.00 Governing Law. This general power of attorney is executed and delivered in the State of Idaho and the laws of the State of Idaho shall govern all questions as to the validity of this power and as to the construction of its provisions.
